

a TRUE piece of Ireland

Renowned for its cheese making Ireland has the perfect climate to grow rich green grass for cows to graze on freely.

Good cheese comes from good animal husbandry and good grass, Ireland offers this in abundance.

A must for any St. Patricks Day celebration we deliver the very best Irish artisan style cheeses, using only time-honored traditional handmade methods.

Our **Claddagh Bó** family consists of **original Irish cheddar**, **smooth Irish cheddar with a rich porter**, and **Irish cheddar with whiskey**.

Claddagh Bó Irish Whiskey Cheddar

ITEM CODE
11173

Delicious handmade cheddar is blended together with smooth Irish Whiskey, to create a truly unique taste experience. This traditional 'monastic cheese', was reputedly introduced by the Irish Monks to Scotland way back in the mists of time.

Today, Whiskey Cheddar remains a firm favorite - a soft buttery cheddar with a subtle note of whiskey.

Claddagh Bó Irish Porter Cheddar

ITEM CODE
11174

Our Porter Cheddar is handcrafted with plain Irish Porter. Brewed by Guinness since 1759 from their home in Dublin, it provides the perfect partner to the mild creamy cheese.

Enjoyed as an hors-d'oeuvre when sliced and served with salad or simply makes the ideal centerpiece on an after-dinner cheeseboard.

Claddagh Bó Original Aged Irish Cheddar

ITEM CODE
10348

Ireland has a long and famous history for cheese making and our delicious cheddar reflects this fine heritage. Made from the milk of grass fed cows, it is aged for 12 months resulting in a beautifully structured cheese. With its firm bite, rich taste and satisfying savory notes, this cheddar is an absolute must for any St. Patrick's Day promotion.
